

Sustainable Animal Production and Resource Management for Sustainable Agriculture and Food Safety (2019)

Código de Beca:	1431
Nombre:	Sustainable Animal Production and Resource Management for Sustainable Agriculture and Food Safety (2019)
Descripción:	<p>AITC Theme : Food Safety</p> <p>This training course falls under the AITC theme –“Food Safety”. “Ending Hunger” is very fundamental to global development progress. Through decades-long effort in eliminating hunger and malnutrition, Thailand has successfully reduced the number of hungry and malnourished people by 75% and the figure is still falling. The progress earned Thailand an award from the Food and Agriculture Organization (FAO) for outstanding contributions to global food security, nutrition and sustainable agriculture. The AITC courses under the theme “Food Security” are part of Thailand’s commitment to work with the international community to achieve SDG goal # 2 on Zero Hunger.</p>
