

## **18 September - EXCLUSIVE <IR> WEBINAR**

- Tuesday, 18 September at 12.00 noon -1.00 pm UK TIME (SEE <https://tinyurl.com/y75nz4a8> FOR OTHER TIME ZONES)
- Exclusive for key PAO volunteers and staff, and IIRC <IR> Network participants
- This joint IFAC and IIRC webinar will share insights from IIRC Tech Initiative members, explore their latest guidance, [\*Technology primer for integrated reporting: A Chief Information Officer guide\*](#) on how to build the information architecture that supports integrated reporting, and provide practical examples of how technology is being used to support next-generation reporting and management.
- Confirmed speakers:
  - Jyoti Banerjee, IIRC
  - Leslie Cant, CCH Tagetik
  - Casper van Leeuwen, Satriun Group
  - Matthew Chapman, KPMG
  - Brigitte Raffegau, IIRC
- Register at <https://attendee.gotowebinar.com/register/3824959453089705219>
- After registering, you will receive a confirmation email containing information about joining the webinar.
